

Fall Harvest Salad

DIRECTIONS:

Combine all the dressing ingredients in a medium bowl and whisk to combine, or shake in a mason jar. Refrigerate while you prepare the salad ingredients and then whisk or shake again before drizzling over salad. The dressing can be made and stored in the fridge for up to 5 days.

Toss all of the salad ingredients together in a large bowl. Either drizzle with desired amount of dressing and toss to combine, or if you expect leftovers, drizzle individual salad servings with dressing. Enjoy!
