

Strawberry & Basil Trio Sangria

Directions:

Place strawberries, basil trio leaves, and agave nectar in the bottom of a small pitcher. Muddle lightly (strawberries don't have to be completely crushed, just smashed enough to make mixture juicy). Add rum, juice, and wine and stir gently. Use immediately or refrigerate up to 1 day.

To serve, fill cup with ice. Pour sangria, leaving an inch at the top. Add a splash of citrus soda and garnish. Enjoy!
