

Summer Feta Bites

Directions:

For these Summer Feta Bites, place the baguette slices on a baking sheet under the broiler and toast for a few minutes until slightly crispy.

Combine the feta and ricotta in a food processor or blender and process until smooth. Add additional ricotta or feta if necessary to reach your desired consistency. Spread the whipped feta on each slice of baguette and top with watermelon, basil trio, and balsamic glaze.

Place on a large platter and serve warm. Enjoy!
